

Feeding Wylie

Feed Wylie (yellow collar) similarly AM & PM

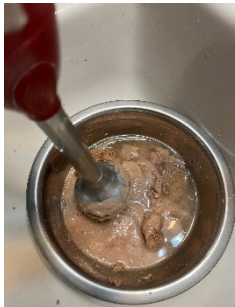

1. Place 1 **full** can of dog food in his dish.

2. Add 3/4^{ths} of a can of water to the canned food. →

3. Mix with a hand mixer. Add more warm water until it looks like cream of "anything" soup.

4. Place the food dish in the elevated stand and let him eat.

Wylie gets Heartworm on the 1st of the month. His chew needs to be diced and mixed in his food.
